Acknowledgements

I would like to thank Dr. Mahmoud Brahimi, my supervisor, for guidance encouragement and support during my study and aiming me sky high. Despite his busy schedule, he is always available to give me advices, support and guidance during the entire period of my study. His insight and creative ideas are always the inspiration for me during the research. And I would also like to express my gratitude to Mrs fernini for their advices.

My thanks also goes to many students who make me feel like member of an extended family: belabbes zakaria ,lounnas bilal,abdelnour ammich, ilyes ghodbane.

My deepest gratitude goes to my family for their love, care and support. And Iam deeply indebted to my parents for their everlasting love and encouragement.
