

Acknowledgement

I wish to express my deep gratitude to Allah who gave me the will and patience to finish my study despite the difficulties.

I also extend my thanks to my supervisor Miss SAOUDI Lalia for agreeing to supervise and direct me throughout the duration of my work.

Availability, his comments and criticisms have been very beneficial to carry out this work.

I also express my recognition to all teachers and administrative body of the computer science department of the University of M'Sila who for some years their advice and knowledge has served me well.

I also want to thank the jury for doing me the honour of accepting judge and evaluate this work.

*Finally I thank all those who helped me directly or indirectly in the
development of this modest work.*
